Now we must verify you have access to this account, and that the routing and account numbers are correct. Our system will send three random amounts to your account (two debits and one credit that will offset to zero). Once you see the debits and credit in your banking account, log back into American Farm Internet Banking and follow the instructions below.

- 5) Click on “External” under “Attention” on top of the page

7) If the verify was successful it will state “Account successfully verified”.

You will now be able to make payments to your loan using your external account. Your linked account will now always show as an available option in the drop down menus going forward. If you ever change accounts, or any of the routing or account numbers change, you will need to delete that account and setup the new account through the steps above.

Making a Payment Using External Account

- 1) Log into American Farm Internet Banking at www.americanfarmmortgage.com
- 2) Click on “Move Money”, then “New Transaction”

3) Choose the loan you want to make payment on and then complete all fields and click continue.

A screenshot of a mobile application form titled "DETAILS" in a dark brown header bar with a white "X" icon on the right. The form contains several input fields:

- "Select a Payment Type:" with a dropdown menu labeled "PAYMENT TYPE" and a "required" label and arrow.
- "Enter Payment Amount:" with a text input field labeled "AMOUNT" and a "required" label.
- "When should it occur?" with a date picker labeled "DATE" showing "07/15/2021" and a calendar icon.
- "How often should it occur?" with a dropdown menu labeled "OCCURRENCE" showing "Just Once" and an arrow.
- "What is this Payment for?" with a text input field labeled "NOTE".

At the bottom of the form is a gray button with the white text "CONTINUE" and a right-pointing arrow.

- 4) Once you have submitted payment you will see it move to the scheduled payments section. It may take two business days for the payment to show in your account history.
